

Prowers County 2020 Community Survey

Introduction

Prowers Medical Center, along with Prowers County Public Health, High Plains Community Health Center, and Southeast Health Group, have come together to determine the health and wellness needs facing the community. They are gathering data and feedback that will help build plans for addressing the top health needs.

This survey is open to any county resident over 18 years of age. Feel free to pass along the survey and encourage others to take it. To receive a paper version of this survey, please go to the front desk/registration department at Prowers Medical Center.

The survey should take less than 15 minutes to complete, and all responses are anonymous.

If you have any questions, please contact Tasha Spencer at tasha.spencer@prowersmedical.com or (719) 336-6728.

We appreciate your time and assistance!
